[Intro]

D G/D D G/D

D G/D
Poetry is no place for a heart that's a whore
D G/D
And I'm young and I'm strong but I feel old and tired, overfired
D G/D
And I've been poked and stoked, it's all smoke, there's no more fire
A
Only desire
Em
For you whoever you are
D
For you whoever you are
D G/D
Oh you say my time here has been some sort of joke
D
That I've been messing around
G/D
Some sort of incubating period
D G
For when I really come around but I'm cracking up
Em
And you have no idea

G D
No idea how it feels to be on your own
 G D
In your own home with the fucking phone
 G D
And the mother of gloom in your bedroom
 G
Standing over your head
 Em
With her hand in your head
 D
With her hand in your head

 G D
I will not pretend, I will not put on a smile
 G A
I will not say I'm alright for you when all I wanted was to be good
 G
To do everything in truth
 D
To do everything in truth

D G/D
Oh I wish, I wish, I wish I was born a man
 D G/D
So I could learn how to stand up for myself
 D G/D
Like those guys with guitars I've been watching in bars
 D G
Who've been stamping their feet to a different beat
 Em
To a different beat
 D
To a different beat

 G D
I will not pretend, I will not put on a smile
 G A
I will not say I'm alright for you when all I wanted was to be good
 G
To do everything in truth
 D
To do everything in truth

 G
You bloody motherfucking asshole
 D
You bloody motherfucking asshole

You bloody motherfucking asshole
