CHORDS

STRUMMING

MAIN PATTERN 163 bpm

Album: Seventeen Seconds (1980)

- For a standalone guitar, mixing guitar, bass and synth elements.
 - Put flanger, a lot of reverb and some delay.
 - You can play Am C F Dm with open chords while singing, or play the notes on the E string with the A string as a drone (see the sequence before verse 1).
 - See that lesson <https://youtu.be/x115IAE0iYs> by Anyone Can Play Guitar, especially for the final solo.
- I have just indicated the first fret positions to begin improvising that solo.
